

a casowasco summer event for the whole family!

MEMORIAL DAY

FAMILY WEEKEND

We invite you to come to a place away from the distractions of the world, and discover how you can grow together with your family. This weekend gives you and your loved ones a great opportunity to relax, play with your family, and experience the joy God has given us. We have a variety of age appropriate activities for every member of your family and lots of free time options including archery, swimming, boating, fishing, crafts, hiking, wagon rides, outdoor sports, and lots more. During our times of worship and family study, we will dive into the meaning of family and learn how we can show grace to those we love most.
